CBSE PATTERN

Our vision is to provide a stress free learning environment which acknowledges the uniqueness of each child & ensures their development.

Our mission is to make children global citizens capable of responding to the dynamic changes in the world and we impart world class education with the best infrastructural facilities.

MMS LITTLE KINGDOM's main aim is to cater each child's social, emotional and other developmental needs and to provide an environment which allows each individual to grow and develop with **SELF-CONFIDENCE**

DEVELOPMENTALLY APPROPRIATE

- We provide a risk free, nurturing environment.
- Increase independence by encouraging children to tackle and solve problems.
- We provide children with meaningful learning experiences.
- We guide them as they learn through discovery.
- We concentrate on children's emotional, social, cognitive and physical development.

LOVING, CARING & RESPONSIBLE STAFF

- We encourage parent participation in the children's learning process.

- We keep informing about the progress of the children.
- Our well prepared staff is always ready to meet the emotional and intellectual needs of your child.
- We feel that the student should be able to come with their inherent strengths and weaknesses. The growing pattern needs to be understood thoroughly and nurtured joyfully. So, we have loving and enthusiastic teachers.

Your child is blessed with such qualities as confidence, creativity, team spirit, independent thinking and quest for learning
